EXPERIENCE

Amazon Web Services

In-Person

Cloud Consultant

Aug. 2023 – Current

Amazon Web Services

In-Person

Associate Cloud Consultant Intern

Jun. 2022 – Sep. 2022

- Worked in a team and used Infrastructure as Code (IaC) to provide the Professional Service team the ability to deploy like/kind environments with internally configured and enforced best practices.
- Utilized AWS Cloud Development Kit (CDK) in deploying Amazon VPC environments that mimic typical Infrastructure Service Providers (ISPs) and Application Service Providers (ASPs).

GAO Tek Inc.

Remote

Software Developer Intern

Sep. 2021 - Current

- Participated in a team and worked with WordPress and FTP video uploading, securing video links, Vimeo, writing SQL queries, and performing general quality checks.
- Uploaded documents with proper tags and descriptions.
