EXPERIENCE

Cloud Aurora

Web Developer Intern

VA (Remote)

Dec. 2020 – Jan. 2021

- I assisted in designing the company logo by utilizing Adobe Photoshop.
- Built and developed a prototype website with the purpose of providing a clear and concise way to offer services.
- The prototype website was developed and formatted by using HTML/CSS/Bootstrap/jQuery.

PERSONAL PROJECTS

Personal Website | Full Stack

- Built personal website using HTML/CSS/Bootstrap/jQuery.
